

Welcome to the

ROYAL INSTITUTE
OF TECHNOLOGY

1st International Symposium on Transaminase Biocatalysis

KTH Royal Institute of Technology, Stockholm, Sweden
Thursday February 28th – Friday March 1st 2013

Topics

Protein engineering of transaminases

Transaminase process engineering

Industrial applications of transaminases

Enzymology/Expression/Immobilization

ROYAL INSTITUTE
OF TECHNOLOGY

ESAB

Section on Applied
Biocatalysis

Technical University
of Denmark

Symposium on Transaminase Biocatalysis

Feb 28th – March 1st 2013

- **Invited speakers**

- Nick Turner, Wolfgang Kroutil, Uwe Bornscheuer

- **Symposium venue**

- KTH Royal Institute of Technology, Stockholm, Sweden
- <http://www.biotech.kth.se/biochem/transam/>

- **Organizing committee**

- Per Berglund, KTH
- John Woodley, DTU

- **Scientific committee**

- Hans-Jürgen Federsel, AstraZeneca
- Per Berglund, KTH
- John Woodley, DTU

Program overview

	Thursday 28 Feb	Friday 1 March
09:00	Registration	Topic 3
10:00		
11:00	Topic 1	
12:00		Lunch
13:00	Lunch	Topic 4
14:00	Topic 2	
15:00		
16:00		
17:00	Dinner/Excursion	Departure
18:00		

Combined coffee/poster sessions morning & afternoon
 AMBIOCAS project meeting Wednesday 27 Feb

KTH Royal Institute of Technology in Stockholm, Sweden
